Dear Mr. Phillips:

RE: ML 35971 - Metalliferous Minerals

I have recently been notified by the Division of Oil, Gas, and Mining that Mark Gavard is presently engaging in mining activity on the NE $\frac{1}{4}$  of Section 32, T30S, R18W, in violation of the Mined Land Reclamation Act and in violation of the terms of the above-numbered lease.

You are hereby directed to immediately cease all mining and exploratory activity which you may be conducting on these lands and to post a reclamation bond in the amount of \$10,000 with the Division of State Lands within 30 days to insure reclamation of existing disturbances. Activity under these lands may not be resumed until requirements of the Mined Land Reclamation Act are fully satisfied. Failure to comply may result in the cancellation of this lease.

Yours very truly,
